(d) On the basis of the bids received, the Reserve Bank will determine the maximum rate of yield or the minimum price, as the case may be, at which bids for purchase of Securities will be accepted in the auction. Maximum rate of yield determined in a yield-based auction for the Securities paying periodic coupon will be the per annum coupon rate for those Securities.

(A) Where an auction is held as per 'Uniform price' method, competitive bids with rates upto and including the maximum rate of yield or the prices upto and including the minimum bid price, as determined by the Reserve Bank, will be accepted at the maximum rate of yield or

minimum bid price. Bids quoted higher than the maximum rate of yield or lower than the minimum price, so determined, will be rejected.

(B) Where an auction is held on 'Multiple price' method, competitive bids upto the maximum rate of yield or the minimum bid price, as determined by the Reserve Bank will be accepted at the respective bid rate. In yield-based auction, successful bidders, whose quotes are lower than the maximum rate of yield accepted, are required to pay the price differential. Bids quoted higher than the maximum rate of yield or lower than the minimum price, so determined, will be rejected.

(h) The Reserve Bank, in consultation with State Government, may reject any or all bids either wholly or partially, without assigning any reason thereof.
